The Almighty Creator Desires a DEEP Personal Relationship with YOU!

Volume 1

Most Important Messages About the Matters of the Almighty Creator
Plus CD of Recommended Worship Songs and Memory Card of Website and All Articles

by Dr James A Robertson

Following a dramatic encounter with the Almighty in 1993 in which the Almighty spoke audibly to him, James Robertson set himself to seeking the Almighty and serving Him with strong focus by applying all the disciplines of his Engineering training to ensure a rigorous relationship and line of inquiry.

By 1999 James had realized that there was massive error in the formal Christian Church and the Almighty told him to come out of the church.

In 2000, following a series of fasts, associated with prayers like "lead me into ALL truth by Your Spirit", "show me the level of my present deception and how to correct it" and "judge me severely and correct me harshly so I may serve you more perfectly" James started to receive a stream of revelation and discovery about truths that were not widely known and started to publish what he learned by email to a small list of people.

Over the years, with more fasting, more praying and more seeking, James started to progressively get direct revelation from the Almighty relating to matters that were not known on Earth at this time. He continued to publish by email and more recently also on a website.

During the journey James became intensely aware that Father Yah (the true name of the Creator) was extremely lonely and had very few true friends where a friend is someone who does NOT demand things from the Almighty but who seeks to bring joy to their Father in Heaven.

As a consequence of these revelations in 2014 James published an article "The Almighty Creator Desires a DEEP Personal Relationship with YOU" and "Seven Components of Drawing Close to the Almighty Creator".

James regards these two articles as the most important messages there are regarding the Almighty and they form the core of this book together with an article on "Where will YOU Spend Eternity" and a series of other supporting articles including a summary of the REAL History of the Earth and a detailed discussion of the Proof of a Global Flood.

This volume is the first in a set of eleven volumes, thirteen books, publishing all of James' articles since 1998. Articles from the Day of Atonement 2009 are available on the Website
